INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Terminal Radio, Inc.

We have audited the accompanying financial statements of Terminal Radio, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Terminal Radio, Inc. as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation

The financial statements of Terminal Radio, Inc. have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets, revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Terminal Radio, Inc. and changes therein are classified and reported as follows:

Unrestricted Net Assets-

Net assets subject to donor-imposed stipulations on the use of the assets that will be met either by actions of Terminal Radio, Inc. and /or the passage of time.

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to a valuation allowance and a credit to accounts receivable. At June 30, 2015 and 2014 all receivables are estimated to be fully collectible and due within one year.

Inventories

Inventories consist of pull-tabs used in Terminal Radio, Inc.'s gaming operations and premiums. Inventories are stated at cost and were as follows:

| | 2015 | 2014 |
|--------------------|-----------------|-----------------|
| Premium inventory | \$ 2,121 | \$ - |
| Pull-tab inventory | 1,394 | 1,394 |
| | <u>\$ 3,515</u> | <u>\$ 1,394</u> |

Property and Equipment

Acquisitions of property and equipment in excess of \$300 are capitalized when the useful life extends beyond a year. Acquisitions less than \$300 are expensed when incurred. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. The cost of property and equipment is depreciated over the estimated useful life of each class of depreciable assets and depreciation is computed using the straight-line method.

Estimated useful lives of the assets are as follows:

| Asset Category | Estimated Useful Life (in years) |
|------------------------|----------------------------------|
| Buildings | 31 |
| Broadcasting equipment | 7-15 |
| Furniture and fixtures | 3-7 |
| Intangible asset | 5 |

Property acquired is considered to be owned by Terminal Radio, Inc. However, assets purchased through Alaska Public Broadcasting Inc. (APBI) may not be put to a different purpose or disposed of without the written permission of APBI.

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued.

Donated Property and Equipment

Donations of property and equipment are recorded as contributions at their estimated fair value at the date of donation. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor.

Licensed Program Rights

Program series and other syndicated products are recorded at the lower of unamortized cost, based on the gross amount of the related liability, or estimated net realizable value. Generally these program and products are amortized on a straight-line basis over the period of the license agreement. At fiscal year ended June 30, 2015 and 2014, the Organization did not have any unamortized program rights.

Costs Incurred for Programs Not Yet Broadcast

Costs incurred for programs not yet broadcast are recorded as deferred assets. Such costs relate to programs produced by Terminal Radio, Inc. that will be broadcast subsequent to June 30, 2015. As the programs are broadcast, the costs incurred are included in operating expenses. Program status is evaluated annually. Costs associated with programs not considered to have future benefit are adjusted to net realizable value. At June 30, 2015 there were no long-term costs incurred for programs not yet broadcast.

Income Taxes

Terminal Radio, Inc. is organized exclusively for charitable and educational purposes within the meaning of Internal Revenue Code Section 501(c)(3). The Organization has been determined by the Internal Revenue Service not to be a private foundation with the meaning of Section 509(a) of the Code. 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued

Revenue Recognition

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restriction. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulations or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as a "release of restrictions" in the accompanying statement of activities.

Terminal Radio, Inc. engages in periodic fund-raising campaigns manifested by offering some special radio programs and on-air and mail fund-raising appeals. These appeals encourage support, both from individuals and organizations, to provide financial contributions to Terminal Radio, Inc. for enhancement of program offerings and other operating expenses. Financial contributions are frequently evidenced by pledges received from responding listeners. Contributions including unconditional promises to give and membership receipts are recognized as revenue in the period received or given. However, uncollected pledges are not enforceable against contributors. All member pledges receivable are promises to give within one year. Contributions and collected pledges are unrestricted as to their usage if not limited to specific activities of Terminal Radio, Inc. This usage is consistent with appeals for contributions and pledges.

In-kind Contributions

The Organization receives a significant amount of donated services from unpaid volunteers who assist in fund-raising, program activities and special events. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skill, are performed by people with those skills, and would otherwise be purchased by the Organization if not provided by donation.

Contributed materials, supplies, facilities, services and property are recorded at their estimated fair value at the date of donation. If the fair value of contributed materials, supplies, facilities, services, and property cannot be reasonably determined, they are not recorded. Terminal Radio, Inc. reports contributions of professional services, materials and other nonmonetary contributions as unrestricted revenue in the accompanying statement of activities. Donated personal services of nonprofessional volunteers, as well as national and local programming services, are not recorded as revenue and expense as there is no objective basis available to measure the value of such services.

Functional Allocation of Expenses

The costs of providing the various program services and other activities have been summarized on a functional basis in the statement of activities and in note 10. Certain costs have been allocated between the program and supporting services on the basis of the benefits received.

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Credit Risk due to Temporary Cash Investments

9. CONCENTRATIONS, COMMITMENTS, CONTINGENCIES AND SUBSEQUENT EVENTS

Terminal Radio, Inc. receives grants that are subject to audit and adjustment by the grantor agencies. Any expenditure disallowed as a result of such an audit and for which grant monies had been expended would become a liability of the Organization. Management has determined this possibility is remote.

The Organization receives a significant amount of support from Corporation for Public Broadcasting (a federally funded agency) and the Alaska Corporation for Public Broadcasting, Inc. and the State of Alaska Public Broadcasting Commission. These organizations receive their monies (directly and indirectly, respectively) from the federal and state governments, therefore any changes in federal or state funding may have an impact on the Organization's ability to obtain support from one or the other of these agencies. For fiscal year ended June 30, 2015, the Organization received unrestricted and temporarily restricted grant monies from these entities in the amount of \$ 258,390 and \$261,572 in year ended June 30, 2014. These amounts represent approximately 60% of the Organization's total income.

Subsequent to year end the Organization was awarded a grant from the Alaska Public Broadcasting Commission in the amount of \$ 113,581 for the period ending June 30, 2016 subject to all requirements and conditions under the grant.

Subsequent events have been evaluated through September xx, 2015 which is the date these financial statements were available to be issued.
