#### INDEPENDENT AUDITOR'S REPORT

**Board of Directors** Terminal Radio, Inc. Valdez, Alaska

We have audited the accompanying financial statements of Terminal Radio, Inc., (a nonprofit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, statement of functional expenses, and statement of cash flows for the year then ended, and the related notes to the financial statements. The financial statements of Terminal Radio, Inc., as of June 30, 2017, were audited by other auditors whose report dated November 30, 2017, expressed an unqualified opinion on those statements.

Management's Responsibility for the Financial Statements - Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility - Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion - In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Terminal Radio, Inc., as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

As such, the accompanying statements of financial position and related statements of activities and statements of cash flows reflect the assets owned by the Organization. Terminal Radio, Inc. is funded by a variety of sources including but not limited to membership dues, federal, state and local grants, gaming operations, underwriting, in-kind donations, and other miscellaneous sources of funding. The Organization's office is located in Valdez, Alaska and operates a station there as KCHU 770 AM. In addition, the Organization has additional licensed stations located in Glennallen (KXGA 90.5 FM) and McCarthy (KXKM 89.7FM) and is repeated by translators in Cordova, Chenega Bay and Tatitlek at 88.1 FM, and Whittier at 88.3 FM.

<u>Financial Statement Presentation</u> – The Organization has adopted FASB ASC 958-205 "*Not-for-Profit Entities: Presentation of Financial Statements*". Under FASB ASC 958-205 information regarding the Corporation's financial position and activities is reported according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Net assets, revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Terminal Radio, Inc. and changes therein are classified and reported as follows:

Unrestricted Net Assets-

Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets-

Net assets subject to donor-imposed stipulations on the use of the assets that will be met either by actions of Terminal Radio, Inc. and /or the passage of time.

<u>Use of Estimates</u> – Management uses estimates and assumptions in preparing these financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that are used.

Revenue and Support – In accordance with FASB ASC 958-065, Not-for-Profit Entities: Revenue Recognition, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and nature of any donor restrictions. Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restriction. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulations or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as a "release of restrictions" in the accompanying statement of activities.

#### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Terminal Radio, Inc. engages in periodic fund-raising campaigns manifested by offering some special radio programs and on-air and mail fund-raising appeals. These appeals encourage support, both from individuals and organizations, to provide financial contributions to Terminal Radio, Inc. for enhancement of program offerings and other operating expenses. Financial contributions are frequently evidenced by pledges received from responding listeners. Contributions including unconditional promises to give, and membership receipts are recognized as revenue in the period received or given. However, uncollected pledges are not enforceable against contributors. All member pledges receivable are promises to give within one year. Contributions and collected pledges are unrestricted as to their usage if not limited to specific activities of Terminal Radio, Inc. This usage is consistent with appeals for contributions and pledges.

<u>Donated Materials and Services</u> – Donated materials and services meeting the criteria of FASB ASC 958-205 "*Not-for-Profit Entities: Presentation of Financial Statements*" are recorded at their estimated fair value as of the date of the contribution. The amount of the contribution is presented as both support and expense in the accompanying financial statements. Donations of property and equipment are recorded as contributions at their estimated fair value at the date of donation. If the fair value of contributed materials, supplies, facilities, services, and property cannot be reasonably determined, they are not recorded. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor.

The Organization receives a significant amount of donated services from unpaid volunteers who assist in fund-raising, program activities and special events. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skill, are performed by people with those skills, and would otherwise be purchased by the Organization if not provided by donation.

<u>Functional Allocation of Expenses</u> – The costs of providing the various program services and other activities have been summarized on a functional basis in the statement of activities. Certain costs have been allocated between the program and supporting services on the basis of the benefits received.

<u>Cash and Cash Equivalents</u> – For purposes of the statement of cash flows, KCHU considers all demand deposits and highly liquid investments with an original maturity of three months or less to be cash equivalents. In accordance with State of Alaska law, gaming income is deposited into a separate account and held until used for an approved purpose.

#### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

<u>Accounts Receivable</u> – Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to a valuation allowance and a credit to accounts receivable. Net receivable are due within one year.

<u>Licensed Program Rights</u> – Program series and other syndicated products are recorded at the lower of unamortized cost, based on the gross amount of the related liability, or estimated net realizable value. Generally, these program and products are amortized on a straight-line basis over the period of the license agreement. At fiscal year ended June 30, 2018 and 2017, the Organization did not have any unamortized program rights.

<u>Costs Incurred for Programs Not Yet Broadcast</u> – Costs incurred for programs not yet broadcast are recorded as deferred assets. Such costs relate to programs produced by Terminal Radio, Inc. that will be broadcast subsequent to June 30, 2017. As the programs are broadcast, the costs incurred are included in operating expenses. Program status is evaluated annually. Costs associated with programs not considered to have future benefit are adjusted to net realizable value. At June 30, 2017 there were no long-term costs incurred for programs not yet broadcast.

<u>Inventory</u> – Inventory consists of unopened Games of Chance and is stated at cost on a first-in, first-out basis, as well as membership premiums.

<u>Property and Equipment</u> – Acquisitions of property and equipment in excess of \$300 are capitalized when the useful life extends beyond a year. Acquisitions less than \$300 are expensed when incurred. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. The cost of property and equipment is depreciated over the estimated useful life of each class of depreciable assets and depreciation is computed using the straight-line method. Estimated useful lives of the assets are as follows:

Asset Category	Estimated Useful Life (in years)
Buildings	31
Broadcasting equipment	t 7-15
Furniture and fixtures	3-7

#### **NOTE 9 – COMMITMENTS and CONTINGENCIES**

Terminal Radio, Inc. receives grants that are subject to audit and adjustment by the grantor agencies. Any expenditure disallowed as a result of such an audit and for which grant monies had been expended would become a liability of the Organization. Management has determined this possibility is remote.

The Organization receives a significant amount of support from Corporation for Public Broadcasting (a federally funded agency) and the Alaska Corporation for Public Broadcasting, Inc. and the State of Alaska Public Broadcasting Commission. These organizations receive their monies (directly and indirectly, respectively) from the federal and state governments, therefore any changes in federal or state funding may have an impact on the Organization's ability to obtain support from one or the other of these agencies and could affect the Organization's ability to provide for the educational, cultural and informational needs of the large geographical area it serves.
